To Whom It May Concern:

Mr. Tim drove through an impending blizzard to get to our school for the assembly he had agreed to perform at our school. He was on time and very professional, had all of his equipment set up and was ready to go as scheduled. But, most importantly, he put on a really great show for our kids.

Mr. Tim's program was fun, imaginative and interactive. Students were fascinated by the way he created music, and laughed out loud at his funny original songs and parodies (not an easy feat with middle school kids). We would welcome Mr. Tim back to our school any time.

Sincerely,

Laurie Goodsell
Assistant Principal
Fort Herriman Middle School
